Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Wednesday 17 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry, mild on Thursday with some sunshine.

This Evening and Tonight:
A cloudy, dry evening and night across much of Scotland with just a few clear periods. Mist and low cloud will become extensive around the north and west coasts with patchy fog and a little drizzle.

Thursday:
Most places will be dry with some bright or sunny spells. Low cloud will persist across the north and northwest with a little drizzle. Temperatures remaining on the mild side.

Outlook for Friday to Sunday:
A mainly dry and rather cloudy few days. Low cloud will continue to give some patchy light drizzle at times over northwern and western coastal areas.
